

Morley Panthers Rollerskating Club

Artistic Rep Report – April 4, 2023

- League 2 successfully took place at Kingsway (figures at Morley Rollerdrome) on 11-12 March.
- The development competition hosted at Morley Rollerdrome was held on Saturday March 25. It was really well attended with 9 development Panthers (10 were nominated but one withdrew due to family illness) taking part in both under and over 11 categories, many for the first time.
- League 3 is taking place the weekend of 22-23 April. Dance and Free skate events will be held at Kingsway and Figures at Morley. The figures draw has been released but no draft program yet.
- Nominations for States (to be held in Bunbury 13-14 May) will close on 7 April.
- Opportunities are being taken at Leagues and the development competition to train up new people in roles including marshalling, announcing and calculating etc.
- I have sent an initial email to Gawaine Davis to find out his interest and availability (and possibly that of his wife Esther) to come to Perth for a skate workshop. Coaches strongly recommended he be the preferred guest coach and are hopeful we may be able to get both of them over.
