Hi All,

Sorry I'm just getting this to you now.

There's not been any new updates for speed.

* numbers at trainings, I have fluctuated slightly. We are getting larger group coming to the training sessions which is great. Unfortunately we need them to continue on to do leagues.

* The world team leave for Italy on Thursday, 17 August until 4th of September, this is Alex myint and Tyler Robertson.

As they are both our coaches why they are gone Jasper Syme will step up as coach.

* state championships will be held on the 16th and month. Registration should hopefully be sent out before the world skaters leave.

Kind regards
Kylie Robertson
