

Morley Panthers Rollerskating Club

President's AGM Report – October 10, 2023

Congratulations

This was once again a successful year for our club thanks to the time and dedication of our skaters, families, volunteers, coaches, and committee.

Throughout the year we have had a great presence at competitions with great results in both the Speed & Artistic Branches. We are pleased to have been able to continue to host an Artistic Development Competition. Having both the Speed & Artistic 2023 Nationals in WA has been a real boost to our sport and meant that many of our skaters could attend. Congratulations to our Speed & Artistic skaters who attended Oceanias / Pan Pacific Championships in Queensland this year and to Alex Myint & Tyler Robertson who attended Speed Worlds in Italy.

Fundraising

Our Photoshoot fundraiser was well supported this year - many thanks to Kate for organising and to Krystal McGee for offering her time and expertise to fundraise for our club!

Thanks to fundraising in previous years, we were able to offer subsidies this year to our Artistic skaters for Nationals, Novice, and Development Championships to cover their registration fees.

We have been pleased to provide subsidies to those skaters attending Oceanias/Pan Pacific Championships & Worlds this year.

Registrations

Registrations have continued to be strong this year. The new national registration system, Revolutionise, has definitely kept us busy. The new payment system means less workload for the club, SkateWA & Skate Australia which is really great. Revolutionise will continue to be our registration platform.

Club Clothing & Equipment

This year we have continued our drive to offer a range of club clothing with two major orders, thanks to Kate & Suzi. Most recently we are offering a club hoodie, which is new to our suite of clothing. The club has been pleased to cover the delivery costs for these orders.

The new gym equipment has been well received – many thanks to Sue for setting that up.

We continue to provide complimentary bootcovers and gloves to new members.

Acknowledgements

I have appreciated working alongside such a professional and committed committee in Suzi (Secretary), Kate (Art Rep), Kylie (Speed Rep), and Karen (Treasurer) this year who have done a fantastic job. They really do work hard for our club!

Continued thanks to the Morley RollerDrome and Ozzy who support our club well.

I am looking forward to an exciting 2024 for the Morley Panthers! We will continue to work on promoting the club, supporting existing members, and furthering the sport in WA.
