

Morley Panthers Rollerskating Club

Artistic Rep Report – 26 February, 2024

- League 1 took place Saturday 27 January with figures at Morley in the morning, followed by the other events at Kingsway. The number of figures events had to be reduced so there only needed to be one panel due to a lack of judges for this League. Some skaters were therefore asked to reduce their nominations to just one event.
- League 1 as usual was a smaller event overall but the quality of skating was noted to be high for this point in the season.
- League 1 was also Di Palmer's final event as event manager. Mary Rutherford supported by a team of assistants and mentors are managing events moving forward.
- An updated version of the Skate WA artistic calendar was released and circulated to members and posted on social media.
- Updated SIA requirements were released by Skate WA artistic and circulated to members. A completion date for skaters of 1 May has been set to allow enough time before States, which is when all required learning has to be completed by.
- League 2 is taking place this weekend – 24 and 25 February. Figures is on Saturday morning followed by other events at Kingsway over Saturday and Sunday. A very healthy number of 20 skaters nominated for this league although one skater has had to withdraw due to injury and a couple of other skaters have withdrawn from some of their events.

Kate Williams – Artistic Rep.
