

Morley Panthers Rollerskating Club

Artistic Rep Report - 10 June, 2024

- Since last meeting the artistic branch have had both League 3 (13-14 April) and States (11-12 May) run successfully. All 21 skaters who competed at State Championships won at least one event representation on the State team for Nationals and currently all 21 have accepted their place and plan to travel to Sydney for the competition from 6-12 July.
- Planning for Nationals is going well with uniform orders placed by individuals and all SIA certificates submitted.
- In the lead up to States, Susan Brooks arranged for a dance teacher to provide some private lessons for some skaters. She worked with them specifically on performance skills. Workshops with her open to all artistic skaters are now planned for later in the year based on the success of this collaboration.
- The 5 skaters from our club representing Australia at Oceans leave this week for NZ with the competition running from 13-17 June. Willow has only just returned from representing Australia in Trieste, Italy. Good luck Brianna Hasson, Willow Burr, Mary Rutherford, Matthew Williams and Amadee Bond!
- Morley hosted a development competition on 25 May at the RollerDrome, which was well attended by all 3 clubs. Well done and thanks to Larree, Elecia and all the volunteers who judged, marshalled, calculated and made it happen. Cobras will host the next development competition on 11 August at Kingsway.
- The freeskating workshops with Rebecca continue to run each month with good numbers from all clubs. Most skaters are now regulars and so are making progress in their skills. The next workshop is on 29 June.
- Looking ahead, Novice Championships will be on 31 August and the plan is now for Development Championships to be on that afternoon, both at Kingsway. Still to be officially confirmed.

Kate Williams - Artistic Rep.
