

Morley Panther Rollerskating Club

Speed Rep Report – June, 2024

- The most recent league on the 8th of June only had five junior skaters racing
- Previous league in April was cancelled due to lack of attendees as some of the senior skaters were racing in Korea. It was replaced with a training session with Noel at the Speed dome at the same time.
- Oceania's went well with Jaxon Robertson attending.
- I have emailed the lady in Armadale about Alex and/or Tyler coaching there but she hasn't responded to them to my knowledge
- There is a wheel size change for different age ranges of skaters that will take effect in leagues and states at the start of next year. I am still to make a picture explaining the rules to local skaters.
- The next league will be held on Saturday the 20th of July from 9am to 11am and the call for nominations will go out on the 29th of June to be back by the 6th of July.
- We have only got one SIA certificate back from Kody.
- Fundraising might be a good idea sooner rather than later to fund nationals and states.
- **Proposal** - A coaches team-building session with speed rep to discuss methods of training on Tuesday nights.
- **Proposal** – A uniform order through Mamrewear due to costs. Will need to find a place to store excess stock hopefully through Ozzy.
